

Hello, I'm

Katie K. Laudenbach

ELDER CARE COORDINATOR

Katie Laudenbach, LSW, is an elder care coordinator at Everbright Legacy Law, PLLC., with 24 years of experience as a licensed social worker. She graduated from Minnesota State University Moorhead in 2001 with a double major in Gerontology and Social Work. Her career has been primarily centered around government programs at both the County and Health Plan levels. Throughout her time in the county setting, she took on various roles, with her favorite being that of an Adult Protection Worker. Before COVID, she served as a Critical Claims Care Coordinator for a Long-Term Care Insurance company, where she gained invaluable insights into the complexities of policy coverage, highlighting how no two policies are alike.

Katie's career highlights include diverse experiences, from working with the FBI to traveling out of state to screen family members wishing to relocate to Minnesota to be closer to their loved ones. She has also played a key role in numerous appeals involving suspected fraud during her time working with health plan programs, successfully providing evidence that led to the termination of fraudulent services.

In her personal life, Katie and her family adopt a horse each winter for a horse therapy program, taking responsibility for its care and well-being until the program resumes. Katie is also actively involved in her community, participating in HopeKids events and assisting families in preparing for DHS waiver appeals.

Those who know me well say that I'm:

- **Full of Knowledge** – Katie's memory is an unlimited storage bank of knowledge. She can remember where she was, what page information was on, where people were sitting/standing, and exactly what time something was spoken about.
- **Funny and Focused** – Katie is known for her serious and focused demeanor, but she has a knack for well-timed, funny analogies to lighten the heaviness of a situation.
- **Hopeful** – She finds HOPE in every struggle: "Life can be similar to baseball. Life will always throw curveballs your direction; however, it is about waiting patiently for the right pitch to swing and hit a home run."
