

Julia Hoeve

LEGAL ASSISTANT

As a Legal Assistant on the litigation team at Everbright Legacy Law, Julia helps keep matters on track. Because litigation runs on timelines, she gathers records, keeps calendars organized and up to date, prepares documents, and schedules meetings so nothing falls through the cracks.

Julia was drawn to this field by a desire to challenge herself and step outside her comfort zone by learning something completely new. Even without prior experience, she was eager to build new skills in a fast-paced, detail-oriented environment, and she has especially enjoyed how much there is to learn.

She is motivated by knowing that the details matter: deadlines, filings, and document organization. She takes pride in making sure everything runs smoothly so the attorneys can focus on strategy, and she finds meaning in being part of a process that helps clients navigate stressful, high-stakes situations.
