ESTATE PLANNING PARALEGAL

As a Paralegal at Everbright Legacy Law, Tanya creates estate plans, including trusts, wills, supplemental needs trusts, real estate documents, and incapacity planning documents, helping clients put thoughtful plans in place for themselves and their families.

Tanya earned a Paralegal Certificate from Rasmussen University.

Those who know Tanya well describe her as:

- **Driven** – Ambitious, motivated, and goal-oriented, she brings more than 30 years of experience and knowledge to her work.
- **Reliable** – She is dependable, dedicated, and consistent.
- **Optimistic** – She is cheerful, enthusiastic, and positive.

Law has always intrigued Tanya. While she wouldn't point to a single person or moment that brought her here, she has found estate planning especially rewarding. Knowing that she's helped each person and family move toward their goals is gratifying. The firm often sees difficult family dynamics, and the knowledge and guidance they provide makes the work worthwhile.

Tanya supports the Alzheimer's Association and causes related to Alzheimer's, a disease that, on a very personal level, she believes families should not have to endure.
